13. File Number (optional)		

10-27-2005

I would like to express my deepest feelings in regards to the debate concerning the Morse Code test that amateurs must take in order to obtain a HAM radio license. I am an amateur radio operator myself, my call is KF4OYO, and I am for the code remaining as is. Please do everything within your power to see that this code remains kept as part of the test requirements.

Thank You,

Bruce Lyle
